Hours of Operation

The OSHC Centre is open from 7 am to 9 am, 3 pm – 6 pm on school days.

Daily Routine

The children arrive at the OSHC Centre after being collected from their respective schools by the educators. They enjoy a varied and nutritious afternoon tea that is provided. The food is fresh and prepared on site daily, and the menu is displayed in the centre for you to see.

The children then participate in a range of experiences such as art & craft, music, games, construction, dressing up, cooking, science and computer activities that are in the program, which is displayed in the centre. The children have the choice of which activities they would like to participate in each day. The educators begin to pack away the experiences at 5.30pm, the children have quiet activities indoors whilst they wait for their parents to come and collect them.

Priority of Access

The Commonwealth funding guidelines include “Priority of Access” which states that parents / guardians, who are involved in recognized work, study or training commitments, should begin priority of access to child care places. Other categories include respite care, parent / children with a disability, children at risk, and non working parents. Other members of the community are most welcome to utilize the Centre if vacancies exist. A waiting list is available.

Right to Refuse Care

The Centre reserves the right to refuse care to a child who has not been booked in or completed the necessary registration documentation. The Centre has a licenced number of 40 places each day, and once the maximum number has been reached, occasional care will be refused. It is important to give as much notice as possible if your child is on an occasional basis.

Enrollment

Enrollments will be accepted, providing places are available within our regulated licenced places.

You can obtain an enrollment form from the office during normal operating hours of 2 -6pm. To secure your child’s place at the OSHC Centre, an enrollment form must be completed and returned with a
$25.00 deposit. The deposit will be held by the Centre and returned to you when you withdraw your child or used to pay any outstanding fees upon your child’s withdrawal.

The enrollment form provides important information detailing your child’s health, history, emergency contacts and consent forms for emergency and medical treatment. The forms will be updated at the beginning of each year. It is imperative that you provide us with current address, telephone number, emergency contact details, child allergies or medical conditions if they change during the year.

Enrollment information is confidential, and access to this information is available only to the Centre Supervising Officer, and educators and Commonwealth Department Officers.

**Child Care Benefit**

The Commonwealth Government offers Child Care Benefit (CCB) to families using registered child care services. Families have 2 options to claim CCB:

1. “Weekly fee reduction” families are issued a percentage based on their annual income that is deducted off the scheduled weekly fee at the Centre.

To apply for CCB you need to contact the Family Assistance Office (FAO) on 13 61 50 or 13 12 02 for multilingual service.

Your assessment will be electronically sent to the Centre from CCMS and the CCB will be effective once that is active. Your account will reflect full fees until the assessment is active.
