Greenmount and St Anthony’s Vacation Care focus on play and leisure for the children in our care.

Our centre is designed to be warm and welcoming. It provides an environment that promotes small and large group play. Inside the main room the children can relax, colour in, play Lego or board games plus they have access to a huge Variety of much much more.

We have a large outdoor area where the children have access to a wide variety of sports equipment. We also have access to the basketball courts and playgrounds at St Anthony’s. Or if they prefer they can just relax under the trees.

Inside our centre we have a huge hall which is set up on a daily basis with different activities for the children to do. For Example; playing cars, building huge towers, taking part in Art and Craft or even building huge Cubby Houses. We always have something fun to do!
