Message from the Principal

Dear Parents,

Lent, is the season in which we prepare for the Easter celebration of Jesus’ resurrection, and allows for teaching children about prayer, sacrifice and showing respect to others. These are hard concepts for children to grasp, but that doesn’t mean they can’t fully participate in the Lenten season. Explain to the children that Lent is about getting ready for Easter as well as apologising to God for the times when we weren’t so good. The season is about changing ourselves and thinking of others.

I ask the school community to keep the Reconciliation candidates and their families in their prayers this term as these children prepare to receive the gift of Reconciliation for the first time.

I enjoyed our first assembly last Thursday and thank you to Mrs Hultink and 3 Gold for their entertaining assembly item. It was wonderful to present the student achievement awards and see so many people coming along to support the children.

The school disco is to be held this Friday and I would like to thank our P&F in advance for I know what will be a great night for our children. As we are asking children to come wearing their favourite footy team colours, there is sure to be a sea of “Blue and Gold!” . (Please no sprigs)

On Friday the staff had a wonderful opportunity to further explore the Australian Curriculum. Mrs Barton opened up the Geography component and Mrs Moore led us through mental strategies that complement the mathematical strands of the new curriculum.

Today we are holding our first Student Executive Meeting. I am looking forward to sitting in the meeting and helping our student executive run and chair the meeting. This is an opportunity to find out what our students feel about the school and any concerns they may have. I would like to thank the staff for supporting this initiative and helping the children in the discernment process. It is a wonderful concept and really can make a difference to our students. They have a voice and will be heard.

On Tuesday 26 March we will be holding our Faction Swimming Carnival. I must say I am looking forward to seeing our students participate in the carnival. Mrs Schellhout has been extremely busy preparing for this event she has been working tirelessly behind the scenes to make sure this day is a great success. Thank you to all parents who will be volunteering to help it is greatly appreciated.

God Bless

RESPECT – How Do You Practise It?
Think about how you would like others to treat you and treat them with the same dignity. How would you like others to speak to you, treat your belonging, and your right to privacy? If you want to use someone else’s things, ask, and then take good care of them. Express even your strongest feelings in a peaceful way. Treat yourself as you feel others deserve to be treated. You deserve it too!

“No one can make you feel inferior without your consent.”

(Eleanor Roosevelt)

SPORTS SHOES
This term it has been brought to my attention that a number of students have been wearing “fluoro” sneakers to sport. Parents are asked to ensure that their children wear shoes that are conservative in style and definitely not fluoro to school. A shoe that is predominately black or white would be acceptable. Some minor colouring in the shoe detailing may be unavoidable and this is also acceptable.

The everyday shoe outside of sports remains strictly a black shoe.

There will be an “amnesty” until next term on this issue.

Thank you for your cooperation in this matter.

GROTTO AREA
We will be placing a statue of Mary in the school Gazebo in Monday 18 March. Father Bronek will bless that statue at 11.00am. It is hoped that this will become a special place in our school especially on Feast days. Religious symbols allow us to keep in touch with a grace greater than ourselves.

NATIONAL YOUNG LEADERS DAY
The National Young Leaders Day is an annual event founded in 1997 to develop strong leadership values amongst young Australians. The Program consists of keynote talks, multimedia presentations and interactive learning that seek a range of specific outcomes for young people who aspire to lead themselves & others well. This year our Head Boy, Head Girl and their deputies accompanied by Mrs. Webb will attend the 2013 Conference at the Perth Convention Centre on Friday 15 March. We look forward to them returning to school with some great ideas.

PARENT/TEACHER INTERVIEWS (K-6)
Parent/Teacher Interviews will take place towards the end of this term. Each class teacher will send home a note regarding times available. These are very important meetings for you to attend and receive valuable information about your child/ren.

PENANCE
An Interactive Workshop for parents and students receiving the Sacrament of Penance will be held on Wednesday 20 March from 6.30pm – 7.30pm in the school hall. (Please note change of time from printed school planner)

A separate information slip has been sent home.

SCHOOL PLAYGROUND EQUIPMENT AFTER HOURS
At the present time, children are playing on the school playground equipment after school. The school is considered private property and as the Principal of the school, I am responsible for the welfare of any person on school premises. Under our public liability insurance, there is a duty of care to provide a safe environment. If the school foresees possible problems, or potential claims, it is a condition under our Public liability policy to take “reasonable care and precautions to prevent personal injury and/or property damage.”

If this reasoning is applied to the use of our playground equipment outside school hours, there is a cause for concern. I have been advised by Catholic Church Insurances to ban all children from playing on school playground equipment outside school hours, even if parents or guardians are present.

Open Night/ Learning Journey
Will be held in Term 3 on Wednesday 4 September
SCHOOL FEES

An annual account has been issued initially should you wish to pay in full at the commencement of the year. Accounts for fees will be issued at the beginning of each of the first three school terms. Fees are payable in full by the due date unless otherwise arranged. It is important for all parents to know that St. Anthony’s stand ready to support all families, especially those for whom fees are a concern. Please contact the Principal or Finance Officer, Gina Hall whenever fees are a problem.

**Term 1 Accounts:** Have been posted to families.

**P&F Amenities:** An annual fee of $50 per family per year is billed in Term 1.

**Building Levy:** An annual fee of $216 per family per year is billed at $72 per three Terms.

**Fee Sharing:** Fee sharing is available for parents with children currently enrolled at St Anthony’s School and La Salle College.

**St Anthony’s:** With one child at St Anthony’s (Pre Primary to Year 6) and one or more children at La Salle, parents receive an annual discount of $42 off tuition fees and are required to lodge a form at St Anthony’s each year.

**La Salle:** With one child at La Salle and one or more children at St Anthony’s, parents are entitled to receive a discount off tuition fees and are required to lodge a form at La Salle.

**Both Schools:** With one child at St Anthony’s (Pre Primary to Year 6) and one child at La Salle, parents are entitled to receive a discount off tuition fees at both schools and are required to lodge a form at both to receive the discount.

**Full Family Details Data Sheet** – The record of your child/ren’s ‘Full Family Details’ will be sent home with the Term 1 Accounts. This is the most up to date details the school has on record. If required please make any changes to this sheet in RED PEN and return it to the school office as soon as possible so we can update our records.

FAMILY DETAILS FORM

A family details form has been sent home with the school fees. This form has the information we have on record for your children at the school. Please look through this form thoroughly. If something is incorrect on the form please make changes in red pen and return to the school office. If there are details missing from the form such as: email address, phone numbers, employer, business phone or any emergency contacts please add this to the form and return to the office. It is important the school is notified of any changes immediately. Thank you for your assistance in this matter.

QUALITY CATHOLIC SCHOOL SURVEYS

The Catholic Education Office will continue working with Insight SRC to conduct another survey for 2013. Insight SRC is a consulting organization. Participation in the surveys will help our school build an understanding of its strengths, challenges and opportunities to enable us to consider the best possible strategies for the future.

The following groups will be asked to complete the survey:

- All staff working in Catholic Education in WA.
- A selection of students from each school (up to 25 students per year level from Year 5 upwards).
- Up to 60 parents randomly chosen across each school.
- Two Board Members.

All individual responses from staff, students and parents will be kept confidential. It will be impossible for individuals to be identified from the results of the information provided by the survey.

**St Anthony’s Netball registrations and information evening will be held next Tuesday evening, March 12th, 2013 in the Parish Hall from 7.30pm to 8.30pm.**

SWIMMING CARNIVAL YEARS 4 - 6

Our school carnival is on Tuesday 26 March at Bilgoman Pool. As per last year we are having a daytime carnival. We aim to start at 9.30am and be finished by 1.30pm. The children will be transported to and from the venue by bus. This is a school day and thus all students in Years 4 to 6 are expected to attend. There will be events to cater for all swimming abilities. If your child is not attending please inform the school by way of a letter. As always we will depend heavily on parent help to run the carnival. If you are able to help by judging or by supporting 25m and ‘noodle’ swimmers (in the water) please email... schelfhout.chris@cathednet.wa.edu.au

CONGRATULATIONS

Two former St Anthony’s students, Jesse and Jacob Schelfhout, will be representing WA in the National Junior Athletics Championships to be held in Perth between March 12th and 17th. Both boys will compete in Javelin, Discus, Shot Put and Hammer Throw. Good luck to Jesse and Jacob and their proud Mum and Dad!

PE YEARS 3 - 6 CONTACT

As I’m at school on Wednesdays and Thursdays only, if you need to get a message to me feel free to email schelfhout.chris@cathednet.wa.edu.au This will be more effective than leaving a message on the PE answering machine. Or you can send a note with your child or their PE day. For PP-Yr2, Mrs Hultink is at school every day.

UNDER 9’s

Congratulations to: Ben deGuzman, Cameron Purcell, Christian Jones, Luke Kelly & Mitchell Peters. The boys were in the Kalamunda Rangers team that were Premiers in the State Tee-Ball Championships held over the long weekend. Well Done! A fantastic effort!

YEAR FOURS STRIKE OUT (UNDER 10’s)

During the long week-end some of our champion T-Ballers participated in the State Championships, representing the Kalamunda Rangers Team. The Rangers team included Dylan Hall, Connor Ebsary, Mark Ierace, Ethan Wheeler, Tyson Brown and Ashton Kelly. The team performed magnificently and reached the Finals against Carine. The game was tight but they were pipped to the post by the Carine players. They came away with a silver medal for their effort. Congratulations boys.

UNDER 11’s

Congratulations to Joshua Dass, Adam Satie & Jordan Shillingford who were part of the Under 11’s team from Kalamunda Rangers that won at the State Tee-Ball Championships last weekend.

UNDER 12’s

Congratulations to Liam Kelly, Blair Poore and Christopher Hall who came 4th Place in the Under 12’s division at the State Tee-Ball Championships. Well Done Boys!
In Year 4 Gold we have been learning about world explorers, and how and why they went exploring new parts of the world. We have focussed on the discovery and settlement of Australia. We have also looked at the different states and territories that we now have in Australia along with their state flags, emblems and flowers. We looked at how we all celebrated Australia Day and we also discussed Australia’s Coat of Arms.

In Health, we have focussed on our own safety in and around water, especially around swimming pools, as we have started our swimming trials at Bilgoman Pool. We have loved doing this because the weather has been hot. And with it being hot, let’s not forget the slip, slop, slap message!

In Religion, we discussed Shrove Tuesday, Ash Wednesday and The Lenten Period and its importance in the lead up to Easter, which is a very special time in our Catholic faith. If you are not sure why it is important then ask someone from 4 Gold.

Cyberbullying

“Cyberbullying is a way of delivering covert psychological bullying. It uses information and communication technologies to support deliberate, repeated and hostile behaviour, by an individual or group that is intended to harm others.”

Bill Belsey 2007

Cyberbullying can be described as any harassment, insults and humiliation that occurs through the electronic mediums such as email, mobile phones, social networking sites, instant messaging programs, chat rooms, web-sites and through the playing of online games.

Forms of Cyberbullying can include:

- Harassing and threatening messages
- Sending nasty SMS, IM’s pictures or prank phone calls
- Using person’s screen name or password to pretend to be them
- Forwarding others’ private emails, messages, pictures or videos
- Posting mean or nasty comments or pictures
- Sending sexually explicit images – ‘sexting’
- Intentionally excluding others from an online group

What can I do if I am being cyberbullied?

- Tell your parents, teacher or other trusted adult – don’t stay silent and hope it will go away – it won’t!
- Save and store the emails, chat logs or SMS’s in case of Police investigation
- Block and delete the bully from all contact lists
- Do not respond to nasty emails, chats, SMS or comments – this is what the bully wants so ignore them. (They will need your help to do this)
- Use the ‘report abuse’ button which all websites/applications have. Tell them the problems you are having and they are obligated to investigate.
- Have some ‘down time’ without computer or mobile. Give yourself some time away from technology just for a break
- If the bullying continues – delete your current email, msn, hotmail etc. and start a new account. Only give your new details to a small list of trusted friends.
- Get a new phone number if being harassed on your phone. Report the problem to your phone company and insist on a new number for free.
- If the bullying continues get mum or dad to report the bullying to the Police. Each state has laws that prohibit online bullying and stalking. You don’t have to put up with it.

ANAPHYLAXIS

Growing numbers of Anaphylactic reactions (i.e., life threatening allergies) to foods and insects, means that members of the community need to know more about anaphylaxis and how to manage a reaction if one occurs.

Anaphylaxis is the most severe form of allergic reaction and is potentially life threatening. It must be treated as a medical emergency requiring immediate treatment and urgent medical attention.

Anaphylaxis is a generalised allergic reaction, which often involves more than one body system.

The child or adult having an anaphylactic reaction will have a progression of the following symptoms:

- Difficulty/noisy breathing
- Swelling of tongue
- Swelling/ tightness in throat
- Difficulty in talking
- Wheeze or persistent cough
- Loss of consciousness & or collapse
- Pale and floppy in young children

Children and adults that have anaphylaxis diagnosed have an EPI-PEN which needs to be administered as soon as possible. An ambulance needs to be contacted for transfer to hospital and further monitoring of the person’s condition will occur in hospital.
