Dear Parents/Guardians

Yesterday afternoon, a female student of Lesmurdie College was intercepted on her way home at approximately 3.50pm by a white Ute which drove onto the footpath impeding her access. The man, described as approximately 50, Caucasian, thin and tall, without any teeth, tried to entice her into the vehicle. She ran around the vehicle and made her way safely home. The matter has been reported to the police.

You may wish to remind your children of protective behaviours and discuss the strategies they might use to respond in such incidents, especially as we approach the Easter break.

Sincerely,

Greg Green
