## ST ANTHONY'S SCHOOL PICK UP/DROP OFF ZONES & PARKING PROCEDURE

All students will be supervised by a staff member at the three collection points each afternoon, from 3.00pm – 3.20pm. These collections points are:

- a) Year 1/2 area
- b) Lower Car Park (Church).
- c) The students who have not been collected during these times will be taken to the administration block and supervised by a senior staff member. Children should then be collected from this area. We **strongly encourage** parents to collect their children during the above times.
- d) Parents are not permitted to park vehicles in the Pick Up/Drop Off Zone, outside the Year 1 classrooms and Blackboy Hill. The Pick Up/Drop Off Zone is to be left clear **at all times** for emergency and Out of School Care vehicles. Parents are **not** permitted to park vehicles in this area.
- e) Parents are encouraged to Pick Up or Drop Off their children, (except Kindy, Pre-Primary and Year 1 students) in the Pick Up/Drop Off Zones and not **park** their vehicles.
- f) For safety reasons, students in Kindy, Pre-Primary and Year 1 are to be taken and collected by an adult.
- g) Students who are the eldest in the family and are in Years 2 & 3 are to be collected from the Pick Up/Drop Off zone outside the Year 1 classrooms.
- h) Students who are the eldest in the family and are in Years 6 & 7 are to collect their siblings from the lower grades (except Kindy and Pre-Primary) and make their way to the Lower Car Park next to the church and wait to be collected by parents. Parents are encouraged to Pick Up only and not park their vehicles in this area.
- i) The carpark at the back of the canteen accessible from Gallipoli drive, is for staff use only.
