

St Anthony's Counselling /Non-Government Schools'

Psychology Service Procedure

The school social worker is available on Tuesdays and Thursdays for student counseling. Appointments are by referral only, with parent permission and in consultation with the Principal and the social worker.

The Non-Government Schools' Psychology Service (NGSPS) provides educational & psychological support to schools. If deemed appropriate, students can be referred by teachers with parent permission and in consultation with the principal.

The school also has a Learning Support Coordinator whose responsible is to manage students with concerns, in particular special needs students.
