Dear Parent/Guardian(s)

SCHOOL PERFORMANCE DATA

St Anthony's School is a Catholic co-educational primary school with a current enrolment of 453 children from Kindergarten to Year six. Our school serves the Greenmount Parish and surrounding areas. The school operates a vibrant pre-kindergarten program for 3 year olds.

Each person at St Anthony's is encouraged to grow as an innovative, collaborative and critical thinker through supportive relationships and engaging learning environments. Each learner is constantly challenged to promote academic and social growth. A growth mindset is fostered encouraging learners to view challenges and mistakes as a springboard for growth and an opportunity to enhance their abilities.

St Anthony's offers a well-rounded education which embraces the spiritual, intellectual, physical, social and emotional development of each child. Differentiated learning is a strong focus within the school. Extension programs from Years 1-6 and educational support in literacy and numeracy are provided. Additionally, the school caters for a range of learning styles and provides a Social Sensory Programme. The school has excellent teachers, facilities and resources, which enable us to offer interesting, inclusive and challenging programs.

The environment is a strong focus in the school. Our extensive grounds lend themselves to a fully comprehensive programs of physical education and sport.

ICT is an integral part of the curriculum. A one-to-one iPad program has been implemented in the Years 4-6 classes. Laptops are available for classroom use in years 1-6. Two before-school Robo Clubs operate for over 45 students from Year 3 to 6.

The school provides an After-school program from 6am to 6 p.m. for children from 5 years up. A school holiday programme is also run through the year.

As part of the very active St Anthony's Parish the school offers a fully integrated Catholic education with a focus on sacramental preparation which is coordinated by the parish. The school, with the excellent support of the parish, runs religious programs and strives to live up to its motto: 'Act justly, love tenderly and walk humbly'.

4. Satisfaction:

Staff:

In planning discussions with the Principal, staff stated they found St Anthony's School provided a challenging and supportive working environment.

Parents:

The overall response from parents during learning journeys, meetings and open nights has been positive and reaffirming. The school is continuing to make academic information a major component of the interview process.

Students:

Anecdotal evidence provided to teachers and other staff members of the school through personal discussion, goal setting, student council meetings and diary writings suggest a high level of satisfaction with the school. Student Council meetings provide valuable feedback from the student body. This is an opportunity for students to discuss issues in the school. Feedback from council meetings is very supportive.
