

Our Vision

Our Centre has a warm and welcoming environment. That allows children to learn and develop through play and leisure in a caring and nurturing way.

We believe that each child, their family and our staff provide a unique contribution to our OSHC community.

National Framework

My Time, Our Place &

Early Years Learning Framework

This is the New Framework for School Age Care in Australia.

It has a specific emphasis on play-based learning and recognizes the importance of communication, language, social and emotional development.

The focus of this framework is that each child will have a sense of

Belonging, Being & Becoming

The Child

We believe that all children deserve to develop a sense of Belonging, Being and Becoming.

Each child has the right to an environment that is nurturing and stimulating.

The search for knowledge is paramount to each child's development.

The Family

Family input is welcomed at our Centre.

Family members are valued, and their contribution to our program is always welcome.

The Centre /The Staff

The Greenmount and St. Anthony's OSHC is committed to developing and maintaining a highly motivated team.

We ensure that all our staff are trained and experienced, and receive ongoing training to remain relevant in today's fast-changing environment.

The Centre strives for high quality across all areas of the New Framework being introduced for school aged children.

Middle Years Framework

The Middle Years Framework is a holistic approach which encompasses a wide range of Learning and Teaching Strategies.

Where children are actively involved in all learning areas.

At the center we offer a wide range of areas that allow for learning in the following:

- Art / Craft, Media
- Reading, Dance
- Puzzles, Board Games
- Fantasia Play
- Gardening, Cooking
- Sport, Active Games
- Free-play

INDOOR

We have an indoor space that provides children with the opportunities to work alone or in groups, to be both quiet and in active learning situations.

We believe in the potential of each child to participate in his/her own development and growth within a warm caring and rich environment.

Children are encouraged to contribute to play experiences that emerge from their own ideas :

- By setting up environments
- Program planning
- Choosing resources.

Birthday's

We celebrate birthdays in the traditional way with a special cake sometimes baked in our own kitchen.

OUTDOOR

We have use of some great outdoor spaces:

Large Oval, Tennis Court, Basketball Courts, Playground.
