- Dictation based on their Diana Rigg spelling level.

MATHEMATICS

- Writing and representing four digit numbers
- Multiplication and division facts
- Problem solving
- Probability
- Capacity
- Angles
- Maps
- Shapes
- **Number Talk:** Developing efficient mental strategies for computation.

HASS:

History

- Aboriginal culture and traditions

HEALTH:

- Health, safety and wellbeing.

SCIENCE:

Yr 3 Feathers, Fur or Leaves? - Biological Sciences.

This unit provides opportunities for students to explore features of living things, and ways they can be grouped together. Through hands-on activities, students explore how living things can be grouped on the basis of observable features and can be distinguished from non-living things. The students use this knowledge to investigate the animal groups in the leaf litter of their own school grounds.
