Dear Parents,

To assist in the purchase of one to one devices, Saint Anthony's have developed an education portal in conjunction with Winthrop Australia. In this portal the purchase of recommended iPads will be listed along with available accessories such as cases, keyboards and stylus options.

This portal allows for a 10% educational discount on the cost of any items purchased and will be delivered to your door. The use of this portal is not a requirement for the purchase of any products and is purely an option for you to consider. You may wish to purchase your own device from a retailer of your own choice.

Please follow the link below to access the portal. Access to the portal can also be found at our school website under the 1:1 program link.
