## MESSAGES FROM THE PRINCIPAL

Dear Parents,

Our patron, St Anthony of Padua, was a great preacher who brought many sinners back to God through his preaching, prayer and good example. Throughout his life, Anthony showed much love for the sinners, the poor and especially Jesus. He helped others come to know the love that God has for each of his people. Next **Friday the 11<sup>th</sup> of June** we will be celebrating St Anthony's Feast day as a school from Pre-Primary to Year Six. Part of this day will be holding a fundraising day for the Church and Catholic missions.

## RE CORNER with Mrs Potts

### Sacramental Program: Confirmation and Eucharist

It certainly has been a busy fortnight for our students at St Anthony's with our Confirmation retreat, Holy Communion retreat and the Sacrament of Confirmation and First Holy Communion a week a part. There are many people to thank, including parents for their attendance and support of the students, the class teachers for their preparation, rehearsals and guidance, our Sacramental Coordinator Melissa Doyle, our education assistants who helped in preparing doves and chalices, Ag Weymouth in preparing the altar, Cathy Armstrong for the booklets, streaming and PowerPoint and Parish Priest Father Leonard. The students were beautifully prepared and it was a reverent and joyous occasion for all.

### Making Jesus Real – The Great 8 The Great 8 Kindness

During Week we focused on the value of kindness. How did Jesus be a kind son, friend and community member? How can we as teachers, students and parents show kindness to those in our school? At home? These are some of the questions we have been exploring in our classes Kindy to Year Six. At line-up week Jack shared his fantastic ideas and thoughts on kindness that really made students think about their actions to others.

Special mention to Deacon Matthews and Imogen Sell, both ex students and in the basketball programme at Darling Range Sport College, who coached. They did an amazing job and we can't thank them enough. Thank you also to the parents and family members who came along to support the students and to Miss Culnane for helping me get through the day when I wasn't feeling great 😊

## Defining Wellness

The Global Wellness Institute defines wellness as **the active pursuit of activities, choices and lifestyles that lead to a state of holistic health.**

There are two important aspects to this definition. First, wellness is not a passive or static state but rather an “active pursuit” that is associated with intentions, choices and actions as we work toward an optimal state of health and wellbeing. Second, wellness is linked to holistic health—that is, it extends beyond physical health and incorporates many different dimensions that should work in harmony.

Wellness is an individual pursuit—we have self-responsibility for our own choices, behaviours and lifestyles—but it is also significantly influenced by the physical, social and cultural environments in which we live.

Wellness is often confused with terms such as health, wellbeing and happiness. While there are common elements among them, wellness is distinguished by not referring to a static state of being (i.e., being happy, in good health, or a state of wellbeing). Rather, wellness is associated with an active process of being aware and making choices that lead toward an outcome of optimal holistic health and wellbeing. ([www.globalwellnessinstitute.org](http://www.globalwellnessinstitute.org))

This week has been Wellness week at St. Anthony's, all the students participated in wellness activities and we hope they were enjoyed by all. It is important to keep ourselves well mentally as well as physically it keeps us young, alert and happy.

Parents, I hope you were able to enjoy a nice cuppa this morning from Joey's coffee van and don't forget to nurture your new family pet (rock).

Stay safe over your well-deserved long weekend and we will see you all on Tuesday.

The month of June is dedicated to the Sacred Heart of Jesus. By reciting the Litany to the Sacred Heart of Jesus we express our Love to Christ and learn from him to be gentle, meek, humble and loving. The devotion to the Sacred Heart is one of the most widely practices and well known Catholic devotions, where in the Heart of Jesus is viewed as a symbol of God's boundless and never ending Love for mankind. The Most Sacred Heart of Jesus have Mercy on us.
