MESSAGES FROM THE PRINCIPAL

Dear Parents,

CARPARK UPDATES

Staff have been assisting in the new carpark drive through. Over the past few days it has taken approximately 15 minutes to get students in cars. This will likely change in the coming week as the carpark gets smaller and modifications will be made accordingly. Thank you to Margaret Smith who made the name plates which has made it easier for staff to identify cars. Information about improvements to the pick-up and drop off is on the 2nd page of this newsletter.

HONOUR CERTIFICATES

At all time communication is vital for all in our community. The school will use SEQTA/SMS to alert parents and families to refer to important message posted by the Leadership team. Class teachers will continue to use Seesaw/OneNote to keep parents informed of class activities.

PD - GRAMMAR

Last year the staff interrogated school data and chose Grammar and Mathematics as a specific Curriculum focus for this year. On Friday 4th March the staff worked collaboratively to build upon our Grammar program and create short Powerpoints to use for explicit instruction and 'hit's focusing on different grammar concepts. We look forward to imbedding these in our program from Pre-Primary to Year Six.

Harmony Day Prayer

You created all people in your image.

We thank you for the astonishing variety of races and cultures in Australia and in our community.

Enrich our lives by ever-widening circles of friendship, and show us your presence in those who differ most from us.

Grant that we may always promote the justice and acceptance that ensures lasting peace and racial harmony.

Grant that we may show equal respect to all persons of different cultures that we may come across.

And help us to remember and appreciate that we are one country, with many stories.

Amen.

God Bless – Greg Green (Principal)

Carpark Drop Off & Pick Up

In consultation with local traffic management teams, the following proposal will be implemented from the Monday 28th March 2022 in order to increase the number of pick up bays and efficiency of traffic flow. Please be aware of the **designated pick up zones for different year levels** and discuss this with your child to decide upon the best option available to you.

LOWER CAR PARK:

Year 3 - 6 students & siblings Year 3+ (if applicable)

Wear Orange for Harmony Day!

Next week we are excited to celebrate Harmony Week at St Anthony's School:

What is Harmony Week?

Harmony Week is a time to celebrate Australian multiculturalism. The message of Harmony Week is everyone belongs. It is about inclusiveness, respect and belonging for all Australians, regardless of cultural or linguistic background, united by a set of core Australian values.

Did you know?

- Nearly half (49 per cent) of Australians were born overseas or have at least one parent who was.
- We identify with over 300 ancestries.
- Since 1945, more than 7.5 million people have migrated to Australia.
- 85 per cent of Australians agree multiculturalism has been good for Australia.
- Apart from English, the most common languages spoken in Australia are Mandarin, Arabic, Cantonese, Vietnamese, Italian, Greek, Tagalog/Filipino, Hindi, Spanish and Punjabi.
- More than 70 Indigenous languages are spoken in Australia.

On **Monday the 21st March students** are invited to wear orange or a touch of orange to celebrate the diverse cultures across Australia. It can be an orange ribbon, t-shirt, shorts or socks. Over the past three weeks the students have been working on inquiry projects in classrooms, where each class has researched a different country and their traditions, learning more about different nationalities and celebrating the diverse nationalities that we come from in our own school. We look forward to sharing this with you through Seesaw in the coming week.

P&F News

Getting to know the P&F Committee

Hi! My name is Samantha Dwyer! I have 2 children attending St Anthony's in Kindy and Year 1. My husband, Mark and I own a Fabrication (metalwork) shop in Midvale which keeps us nice and busy.

I am currently the P&F Secretary. I joined the P&F because I had no idea how a school operates! I wanted to learn more and understand why and how decisions are made for the benefit of the children and be involved in the school community, especially in these odd and sometimes challenging times. It has definitely made me appreciate all the work teachers and support staff put in for our kids, and I'm lucky enough to have had the pleasure of meeting some pretty amazing Mum's (and Dad's) through the school community! Say Hi anytime! Always up for a chat

SCHOOL PLAYGROUND EQUIPMENT AFTER HOURS

At the present time, children are playing on the school playground equipment after school. The school is considered private property and as the Principal of the school I am responsible for the welfare of any person on school premises. Under our Public Liability Insurance, there is a duty of care to provide a safe environment. If the school foresees possible problems, or potential claims, it is a condition under our Public Liability Policy to take "reasonable care and precautions to prevent personal injury and/or property damage." If this reasoning is applied to the use of our playground equipment outside school hours, there is a cause for concern. I have been advised by Catholic Church Insurance to ban all children from playing on school playground equipment outside school hours even if parents or guardians are present.
